

Position Title: Physical Therapist

Location: Coeur D'Alene, Idaho

About Us:

We are a premier sports and orthopedic physical therapy clinic dedicated to helping athletes and active individuals achieve optimal recovery and performance. Our practice specializes in manual therapy, dry needling, and exercise based rehabilitation, with a focus on personalized, high-quality care. Our primary patient population includes athletes, post-surgical patients, injured workers, and active adults. We pride ourselves on our excellent reputation and vibrant team culture, fostering a relaxed yet fun and motivating environment that inspires both our staff and clients to thrive.

Job Description:

We are seeking a passionate and skilled Physical Therapist to join our dynamic team and provide top-tier care to our patients. The ideal candidate will have expertise in manual therapy, dry needling, and exercise prescription, with a strong desire to help athletes and active individuals recover quickly and perform at their highest level. You will work with our team to deliver individualized treatment plans, focusing on sports specific rehabilitation and post-surgical recovery, while contributing to our clinic's stellar reputation and positive, uplifting culture.

Key Responsibilities:

- Perform comprehensive evaluations and develop individualized treatment plans for athletes, post-surgical patients, and active adults.
- Implement manual therapy techniques and exercise-based interventions to optimize patient recovery and performance.
- Collaborate with physicians, coaches, and other healthcare professionals to ensure cohesive care for patients.
- Educate patients on injury prevention, rehabilitation exercises, and performance enhancement strategies.
- Maintain accurate and timely documentation of patient progress and treatment plans.
- Contribute to our fun, relaxed, and motivating team culture, creating a positive experience for both patients and colleagues.
- Stay current with evidence-based practices and participate in ongoing professional development.

Qualifications:

- Doctor of Physical Therapy (DPT) or equivalent degree from an accredited program.
- Active Physical Therapist license in Idaho.
- Certification or advanced training in dry needling preferred or interest in obtaining.
- Strong experience in manual therapy techniques and exercise prescription.
- Knowledge of sports-specific rehabilitation for athletes is a plus.
- Experience with post-surgical rehabilitation protocols.
- Excellent interpersonal and communication skills to build rapport with patients and colleagues.
- Motivated, team-oriented, and committed to delivering high-quality patient care in a fun and engaging environment.
- Ability to thrive in a dynamic clinic with a positive and relaxed vibe.

Why Join Us?

- Opportunity to work with a specialized patient population, including athletes and active adults.
- Be part of a great team culture with a relaxed, fun, and motivating atmosphere that enhances the patient experience.
- Collaborative and supportive environment with a focus on professional growth.
- Competitive salary and benefits package.
- Chance to make a meaningful impact on patients' lives and help them return to peak performance.
- Be part of a clinic with an outstanding reputation for excellence in sports and orthopedic care.

How To Apply:

If you are a motivated Physical Therapist with a passion for sports rehabilitation, patient-centered care, and thriving in a fun, team-oriented environment, we'd love to hear from you!
